Level 1, 1 Faraday St, Parnell, Auckland

Sessions include:

- Defining impact investing
- Impact investment market development in NZ and the NZAB (*David Woods*)
- Impact investing in start-ups and social enterprises  
(*Presenters: Akina Foundation, Thought Wired, Te Whare Hukahuka*)
- Investing in real assets  
(*Presenters: Giving Architects, New Ground Capital*)
- Financing social programs  
(*Presenters: Government of New Zealand, Genesis Youth Trust, Wilberforce Foundation*)
- *Building an impact investment portfolio – trusts and foundations*  
(*Presenters: David Carrington (UK), Tindall Foundation, WEL Energy Trust*)
- *Building an impact investment portfolio – institutional investors*  
(*Presenters: Brightlight Impact Advisory (Australia), BNZ, ANZ*)

## **Field visit 1.30-5.30pm**

Venue – multiple venues that will be accessed via a minibus.

Visits include:

- **Genesis Youth Trust** – Genesis Youth Trust combines youth work, social work, mentoring, counselling, family therapy, and whānau programmes to promote positive lifestyle changes to at risk youth and their families. As a result of a social impact bond launched in 2017, around 1000 at risk young people from South Auckland stand to benefit from a 6-year programme.
- **Ooooby** – we will visit the warehouse of Ooooby, a social enterprise that delivers local organic food to households. Ooooby is now established in NZ, Australia and the US. Impact investing has played and is continuing to play a role in helping scale Ooooby's operations and aspirations.
- **Tamaki Regeneration Company (TRC)** - TRC is the largest urban renewal project in New Zealand. We will visit a number of projects where impact investment is playing a role to deliver positive community outcomes including affordable housing and healthcare.

**NOTE: THIS SCHEDULE IS IN PLANNING AND SUBJECT TO CHANGE**
